

COMPANY PROFILE

Al Urooj Trading & Contracting Co. W.L.L. is a Qatar-based company engaged in providing specialized applications and contracting/sub-contracting services in the residential, commercial and Industrial Sectors. We also provide effective solutions to all manpower requirements for the organizations on both short and long term basis.

During the Past years we have executed various types of projects in both private and commercial sectors in the GCC region through main contractors/EPC Companies.

Under the wise leadership of **His Highness The Emir, Sheikh Tamim bin Hamad Al Thani**, together with **Qatar National Vision 2030**, Qatar is rapidly emerging as an international business and travel hub, playing host to a variety of international conferences and sports events.

We aim to support Qatar's National Vision 2030 which is set to transform Qatar into a modern state relying on sustainable development with the goal of providing a high standard of living for all citizens ensuring a prosperous future for all.

We aim to provide services to private and public clients as we believe that **Qatar and Qataris deserve the best.**

We always maintain high standards, with perseverance and our hard work constantly find solutions to meet our customer demands. We offer sustainable solutions to the markets in the fields that we operate.

Commercial Policy:

We are committed to provide the customers with the latest, suitable, cost effective and sustainable solutions meeting functionalities of the project and optimum compliance to the project specifications.

Customer Service Policy:

- ✓ Regards every person who contacts us for any reason whatsoever, to be a valued customer.
- ✓ Committed to providing the best customer service possible and will endeavor to process each enquiry as quickly as possible.
- ✓ Committed to providing our customers with high quality service which meets their reasonable expectations.
- ✓ Recognizes that our customer's needs are as unique and varied as the individuals themselves.
- ✓ Business will be fair and completed in an appropriate time frame and our customers will be treated with honesty and integrity at all times.
- ✓ Recognize that by providing high quality customer service we are helping to service our customers in the best possible way.
- ✓ We will listen to our customers and try to provide the services that they really want. We will not assume that we know what they want; we will really find out and listen to the facts.
- ✓ We will not give any customer the 'run-around'. If an individual cannot directly help a customer, it is their responsibility

Business Philosophy:

- ✓ We challenge our priorities, policies, rules, procedures, regulations, and laws to ensure that we are providing efficient and effective services to our customers and our staff.
- ✓ We recognize and accept that change never ceases; that it provides us the opportunity to become responsive to customer needs.
- ✓ We continually evaluate our business processes to support a user-friendly environment that improves customer and employee satisfaction.
- ✓ We demonstrate accountability to those we serve by taking responsibility for our actions.
- ✓ We encourage management and staff to demonstrate responsiveness and flexibility in servicing customer needs and solving customer problems.
- ✓ We support open communication at every level of our business processes.
- ✓ We acknowledge that change drives our organization. Our responsibility is to deliver consistent and timely information to our customers.
